Introduction

Welcome to Let's Explore Two!

Let's Explore is a series of workbooks developed to help young children discover the timeless world of Biblical Hebrew - *L'shon Hakodesh*. The series aims to instill in each child an understanding of how the language of Biblical Hebrew works, thereby enabling students of any age to delve deeply into Hebrew texts, enjoying the richness and vitality of *L'shon Hakodesh*. The Let's Explore series is designed to equip children with skills, so they can independently understand Biblical Hebrew. The workbooks will lead to improved reading and effective comprehension across all *L'shon Hakodesh* text.

Each lesson of Let's Explore reinforces the earlier lessons that were taught and builds upon them, thereby creating a systematic approach to the learning and retention of Biblical Hebrew. Material is presented in a colorful, user-friendly format, using the most up-to-date digital technology, to aid the children as they climb the ladder of learning *L'shon Hakodesh* from an early age.

May the Let's Explore series serve as a venue to strengthen and empower children to learn L'shon Hakodesh independently, with joy and clarity.

Acknowledgments

Much appreciation to:

The many educators who have given of their time to suggest, review, and comment;

Rabbi Avraham Yitzchok Berman, for reviewing and editing this manuscript;

Mrs. Devorah Walfish, Miss Malka Faiga Mintzes, Mrs. Adiah Goldman, extremely creative and outstanding graphic designers;

Mrs. Leah Chajes, an extraordinary and devoted typesetter;

My Parents:

My father, Mr. Yisroel Bloom o"bm, whose sense of responsibility for every person and cause set an example for me to accomplish whatever needs to be accomplished;

My mother, Mrs. T. Braunstein, and Harav Shlomo Braunstein, for their endless care, encouragement, support, and wisdom;

My children, who have assisted and encouraged me throughout this undertaking;

My husband, Rabbi Avrohom Nusbaum, who has been involved with every facet of everything I have been developing.

Above all, to the One Above.

What is a סוֹפִית?

- A סוֹפִית is an "ending" attached to the end of a word.
- There are many different types of סוֹפִיוֹת.
- Some סוֹפִיוֹת have a translation, some do not.

Here are some סוֹפִיוֹת we have already learned:

יְחִידָה	יָחִיד
ָה ת	no specific ending
רַבּוֹת	רָבָּים
וֹת בוֹת	ים

We will now learn new סופיות. They are called סופיות: כנוים. Before we learn them, let's learn what a כנוי is.

What is a ינוי?

A כנוי is a pronoun.

A pronoun is a word that replaces a noun.

These words are כנויים:

me

mine

you

your

him

hers

ours

we

they

them

- A פֿוֹפִית: כְּנוּי is an "ending" that is a pronoun.
- The סוֹפִית always refers to someone or something that is יָחִידָר, יְחִידָה, רַבִּים.

סוֹפִיוֹת: כְּנוּיִים יָחִיד/יְחִידָה
